John J. Vandenberg, PhD  
National Program Director, Human Health Risk Assessment Program  
National Center for Environmental Assessment (NCEA)  
Environmental Protection Agency (EPA)  

Time: Wednesday October 30, 2013, 11:45 AM-1 PM  
Location: Schiciano Auditorium, Side A, CIEMAS  

Dr. Vandenberg is National Program Director of the Human Health Risk Assessment (HHRA) program, and Director of the Research Triangle Park Division of the National Center for Environmental Assessment (NCEA), at the US Environmental Protection Agency. He is responsible for leadership, planning and oversight of EPA’s HHRA program and also for the Integrated Science Assessments for the major (criteria) air pollutants and Integrated Risk Information System (IRIS) assessments for high priority hazardous air pollutants. Dr. Vandenberg has testified before the Senate Environment and Public Works Committee and before the Science, Space and Technology Committee of the House of Representatives. He has been a consultant to the World Health Organization and has represented EPA in scientific meetings in Europe, South America, Asia and the Middle East, and he serves on numerous scientific advisory committees. In 2006, he was elected a Fellow of the Society for Risk Analysis. He is an adjunct professor at the Nicholas School of the Environment at Duke University and since 1991 he has taught a graduate-level course in air quality management. He received his B.A from the College of Wooster, Ohio, and the MS and PhD from Duke University in biophysical ecology.

Register at: [http://goo.gl/x8ezz9](http://goo.gl/x8ezz9) by Monday, October 28, 2013 at 5:00 P.M.

A limited number of lunches will be available for registered attendees on a first come first served basis. Please bring your Duke ID to swipe for attendance.
