Program Agenda:

11:45am – 12:00pm	Boxed Lunches and Welcome
12:00pm – 1:00pm	Panel Discussion

The first workshop in the PhD Plus Spring semester will cover the transition from graduate student to working professional. The panel consists of recent PhDs who founded or work for well-established start-up companies. They will discuss topics from management style, working in dynamic teams to balancing projects, deadlines, and funding sources.

Resumes are available by visiting: <https://goo.gl/CteuWR>

There will be lots of opportunities for questions and discussion during the workshop.
